## ARE THE LOCKDOWN PAINS GETTING TO YOU?

**Working from home is making our body stiff and sore.**

The current scenario has made working from home a new normal for Indian professionals. Prolonged working in sub-optimal working condition can have impact on your health.

Poor posture while working on the laptop could cause Musculoskeletal Disorders like pain in the neck, back, shoulder, and other issues.

Godrej Interio through its 'research oriented' approach has identified the latent needs and are pleased to share our range of ergonomic solutions that provides flexibility, comfort, safety and harness productivity.
